

A VILLA HOTELS EXPERIENCE

Royal Island

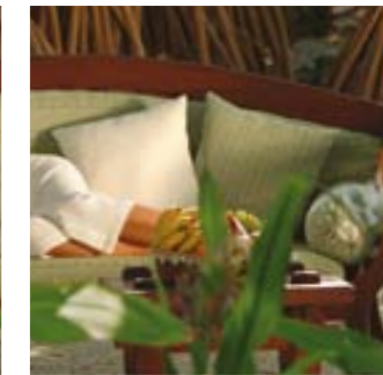

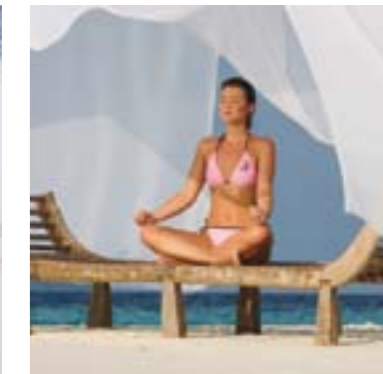

RESORT & SPA

SIMPLY SPECIAL

Maldives

There are few secrets left in the world. The exotic has, in time, turned into commonplace, but the Maldives remains an exception, both exotic and still a secret. It is a place where your holiday begins with your expectations already fulfilled. It is a corner of the world so pristine, so beautiful that you would want to keep as your very own little secret.

Welcome to Royal Island

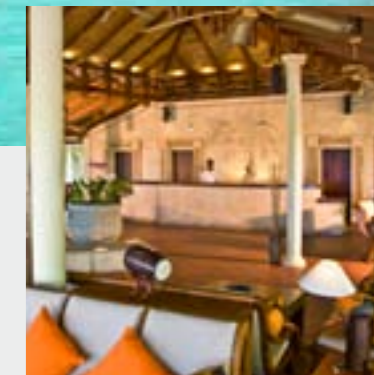

The seaplane journey from the airport to the resort is the perfect scene setter. The view from the window is breathtakingly beautiful and unique to the Maldives. Submerged reefs, resorts and desert islands dot the in-

terior of the atolls. The palette is a pared down choice of blues, turquoise, green and ivory. Beauty and simplicity is the promise and Royal Island delivers on that promise, adding a dash of personal luxury.

HISTORY

A long time ago, the island was inhabited and had the honour of being home to royalty. The royal stone bath is still preserved and offers a rare glimpse into the past.

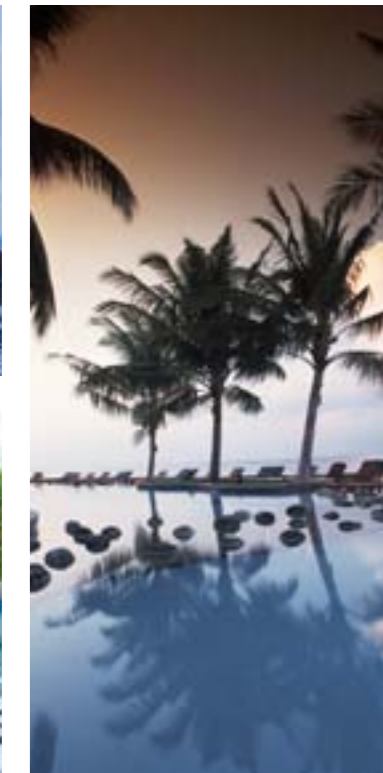

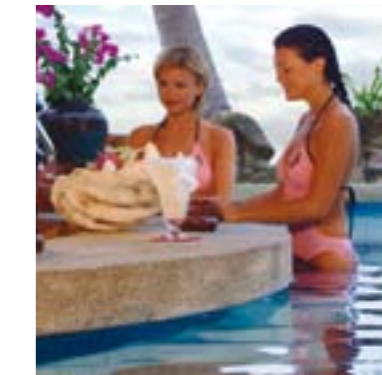

We carry forward the royal heritage of the island and our staff is at your disposal to make your stay as unique and unforgettable as the island's history.

POOL

If relaxation poolside is more your taste, drop into a chaise by the pool and order up a frozen tropical drink.

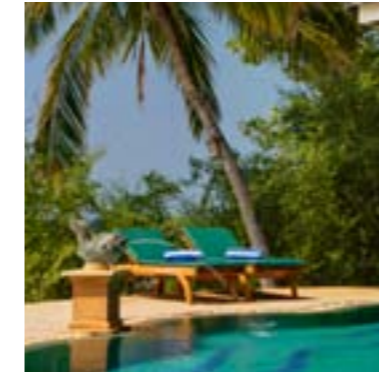

Accommodation

BEACH VILLAS

An aristocrat would feel perfectly at home in our elegant guest rooms. Rich coloured textiles, marble, carved wooden furniture and subtle lighting provide ambience and stately splendour. Complete privacy and quietness are taken for granted. The beach and the crystal clear waters of the lagoon are just a few steps away from the verandah.

PRESIDENTIAL SUITES

A private beach, with its sparkling lagoon and uninterrupted views to the horizon, is only matched by perhaps the largest and best-appointed rooms in the country.

Your own butler will ensure that you feel that this is your own private island. From the dining room for eight to the king-sized bedrooms, from the regally decorated

lounge to the spacious verandah, swimming pool and jacuzzi beyond, nothing has been compromised. This is the option for the seriously indulgent.

Activities

As befits a five star resort, we have a full selection of sports and leisure facilities of the highest quality. From floodlit tennis courts to squash and indoor badminton courts, from wake-boards to catamarans and everything in between, it's all there whenever you wish.

EXCURSIONS

Not every treat is on the island. Excursions and fishing trips are firm favourites but don't leave for home without experiencing the private desert island picnic for two. You'll never forget it

WATER SPORTS

After a rest have a change. When you've had your fill on tanning on the beach, try a little watersports. The soft shallow lagoon is perfect for learning the art of wind-

surfing. And that's just one of a whole range of activities on offer.

DIVING

This quiet corner of Baa Atoll is teeming with colourful fish of every shape and size. Whether you take one of our snorkeling trips or dive everyday to the outlying

reefs, the underwater world will never cease to amaze and delight you. You'll feel secure in capable hands of our first class, multi-lingual dive staff. Preparation and

safety are the priorities here, so you can relax and fully enjoy the experience.

Experience Araamu Spa

At the heart of Royal Island is the Araamu Spa. This serene retreat within the resort offers a delectable menu of treatments to calm the senses, relax the body and invigorate the spirit. The sounds and scents of nature fill the air as you give yourself up to some top-class body pampering.

For the special pleasure of couples each pavilion has a pair of treatment tables. Our romantic package is a particular favourite. In other rooms, qualified and experienced ayurveda therapists work wonders for an array of ailments, both common and seemingly intractable.

Wine & Dine

Expect a fine selection of international cuisines everyday in the Maakana Restaurant. A delightful coral rock pool and tropical fish add vibrancy to the setting. To truly

romance your partner there are few better places than the Raabondhi Restaurant, on the beach and under the stars. Lobster and barbecues are the specialty here.

The Boli Bar is open throughout the day. An aperitif before dinner or a long sociable night on the moonlit deck, the options are yours to choose. If a wild and crazy disco

or karaoke session is your fancy, then the separate Fun Pub is just the right place.

Romance

The ultimate romantic gesture, whether newlywed or incurably romantic, this sensitive and delightful ceremony will deepen your commitment to each other. Accompanied by traditional drummers in Maldivian livery, the whole event is a touching spectacle set in a tropical paradise.
